

BE AN ACTOR FOR A DAY©

HAVE FUN, LEARN STAGECRAFT, PERFORM AND ENJOY THE APPLAUSE!

If you have ever wondered what goes on in an actor's life, have secretly wanted to walk the boards yourself, want to do something unique and exciting by stepping outside that box, have no reason whatsoever apart from wanting a day of fun and laughter, join us in a session of Be an Actor for a Day©. It will satisfy your curiosity and could surprise you too.

- **Preparation:** Have fun with some stagecraft exercises: discover your “banana face”, enjoy basic breathing and voice projection and play some “make me believe you” games.
- **Auditions:** We hold auditions (don't panic), we guide you and make sure you are well prepared and **everyone** gets a part in our 10-minute play. We rehearse with scripts in hand – no learning of lines – bonus!
- **Performance:** Our pop-up audience (your family and friends and some locals too) is the cherry on top and they are entertained by you - our actors for the day. We might include some of your solo audition pieces to add to our showcase. We perform on the Masque Theatre foyer stage – intimate and cosy.
- **Enjoying your awesomeness:** In the gentle and encouraging hands of Celia and Coleen and support from Masque Theatre players, you will enjoy a unique acting experience and be amazed at your transformation – from nervy participant to confident and talented performer.
